

Social Media Referral Campaign

There is currently no specific limit to how much you can earn from social media reference.

To earn your PlusCoin reward, simply make a post about the PlusCoin project on social media, being sure to include your personal reference link.

Referral reward system - you will be rewarded 5% of total PlusCoin sales resulting from your link in PLC.

The personal reference link is available upon registration at <https://pluscoin.io>

- You must subscribe to the official PlusCoin information channels (listed in Table 1) in social media, where you want to add your personal reference link.
- Important: you must stay subscribed to these channels until the end of the ICO.
